

# Road Access @ The Plant

In order to allow for adequate emergency vehicle and truck and delivery access at The Plant, we have created the following guidelines:

1. All blacktop and gravel roads (marked in red below) will be kept open to allow access to tenants and their shipping/receiving activities.
2. Active loading and unloading (driver present) will be permitted on a first come first served basis.
3. Loading and unloading will be conducted in a timely manner.
4. Drivers must remain with their vehicles while loading and unloading with the exception of the need to move materials to and from vehicles.
